## LEASING OF TOWER FARM HORSES AND PONIES

Some horses will be available for leasing from Tower Farm to regular clients. Leasing is a great way of experiencing a lot of time with a horse or pony but without the added worry of vet's bills, insurance, worming, shoeing and other costs.

Cost - £60 per week – payable in advance. All leasing if for a minimum of 8 weeks

The Leaser can ride on 5 days of the week – mutually arranged. Due to varying scenarios we may need to substitute the horse allocated.

The horse can be used for up to 8 hours a week by Tower Farm

The horse will have 1 day off and 1 day allocated for sole use by yourself.

Horses may only be ridden during business hours whilst a staff member is present at Tower Farm. ( It is the leasers responsibility to check hours over festive period etc)

The lease horse must not leave the premises unless Debbie has given prior permission.

Although you can join any BR or TR free of charge.

If you wish to join a group lesson or arrange individual tuition you pay 'livery' rate.

Lease horses must not be shared with other people under any circumstances

The horses welfare must be paramount. It will be your responsibility to check the to see if TF using horse later in the day, if not you must return to stables/field and make sure they are comfortable for the night.

Tack rooms and doorways must be closed over if you are the last person on the yard.

If you wish to ride in a competition there is no hire charge but you must pay your entries on the night (please let us know you wish to compete so we can book the horse for you)

The leaser must have their own 3<sup>rd</sup> party liability insurance and we strongly recommend rider cover as well

Anybody interested please speak to Debbie in person or call 0131 664 3375
